Subject: Regarding RIN 1210-AB33 (Attn: Lifetime Income RFI)

To Whom It May Concern:

NO! NO! NO! NO! NO! NO! NO!. AND YES, I KNOW I'M YELLING!

As Mr. Ortiz said, "I have a broken system that needs more fixing, Social Security. Get to work replacing the borrowed funds there, and stay away from 401k's. Why on earth would anyone trust you with their 401k's considering the mismanagement of other "social" programs?"

As Ms. Tarrant said, "Keep your hands off of my money! I am perfectly capable of making my own investment choices. Why would I trust the government to handle my retirement money when they can't even handle the plan they have set up now, i.e. Social Security?? I have investments precisely because I don't expect Social Security to be around when I retire!"
